

Directions for Obtaining IRS Transcripts for Fee Assistance Applicants

An IRS Return Transcript must be submitted with your completed fee assistance application in order to verify income and family size. By requiring government-verified documentation, we can ensure that fee assistance applications are processed fairly and consistently for all clients. The document includes most line items from your tax return (Form 1040, 1040A or 1040EZ) as it was originally filed, including any accompanying forms and schedules. We will use your family's Adjusted Gross Income (AGI) to determine if you qualify for assistance based on the federal poverty guidelines and your family size. There is no fee to request a transcript and no limit on the amount of times it can be requested.

The **IRS Return Transcript** for the most recent year tax must be submitted (see below for yearly guidelines). If you did not file taxes in the most recent tax year, you must instead submit the **Verification of Non-Filing** to show that no transcript exists. Applications will not be reviewed by facility staff without one of these two documents.

Both forms can be obtained in several ways:

- **Online:** The fastest way to access your transcript. You can create an online account for same-day retrieval, or you can request that the transcript be sent to you via mail. See instructions below.
- **By Phone:** Call the automated retrieval service at 1-800-908-9946 and follow the voice-activated prompts.
- **In Person:** Visit a local IRS office (find a list at <http://www.irs.gov/uac/Contact-My-Local-Office-in-Maryland>).
- **By Mail:** Download a "Request for Transcript of Tax Return" (Form 4506-T) from www.irs.gov and send it by mail or fax as directed.
