

THE MARYLAND-NATIONAL CAPITAL PARK & PLANNING COMMISSION
Prince George's County Department of Parks & Recreation

Geocache Guidelines

1. **You must receive approval** from the M-NCPPC Park Ranger Office **prior to placing a cache.** To obtain approval you must submit the geocache registration form to Park Ranger Geocache Program at 14955 Pennsylvania Ave., Upper Marlboro, MD 20772, or by email at PGParkRangers@pgparks.com. In most cases, you will be advised of a decision within five (5) business days.
2. **A transparent container is required. DO NOT** use PVC pipe, ammo cans or any other Military looking container that may cause alarm if a non-participant happens upon the cache. Micro containers are allowed at the discretion of the M-NCPPC Park Rangers.
3. **DO NOT** dig any holes or disturb the surrounding environment. **DO NOT** attach caches to live trees.
4. **DO NOT** place the cache in plain view. Attempt to conceal the cache to minimize the chance that a non-participant will spot it, which could cause worry, theft or vandalism. Caches should be at least 100 yards from playgrounds and schools.
5. **Clearly mark the container** with the appropriate identification, such as "Geocaching.com" and the name of the cache. Place a stash-note inside explaining the sport to any non-participant who may discover the cache.
6. As a cache seeker or a cache owner, you must abide by the **dawn to dusk parks hours of operation, as well as all other parks rules, regulations, and guidelines.**
7. Any cache that is not maintained or becomes in disrepair, will be removed and archived through Geocaching.com.
8. If any guidelines are disregarded your cache will be immediately removed and you will not be permitted to place additional caches in the future.

Approval is at the discretion of the M-NCPPC Park Rangers. If you have any questions or would like to request a geocache registration form, contact the Park Ranger Office at 301-627-7755 or on the web at www.pgparks.com.

Geocaching Participants shall be responsible for, and shall defend, indemnify, and hold harmless the M-NCPPC, and its employees, officers and agents against and from any and all liability or claim of liability for personal injury, death, or property damage (including reasonable attorney's fees) arising out of the use, occupancy, conduct, operation of management of the project.
