

Canter Creek Park Project Update

June 22, 2023, 6:30 to 8:00 pm
Virtual Community Meeting

Introductions & Meeting Rules

- This meeting is being recorded and will be placed on the project webpage within the next week. If you do not wish to be recorded, please leave the meeting now and view the recording later.
- Please be respectful, as we strive to have a productive dialogue.
- The purpose of this meeting is not to debate the construction of the park, as construction is moving forward. The agenda will be presented momentarily.
- Participants will remain muted during the presentation.
- Feel free to place questions in the chat. We will answer as many as possible at the end of the presentation and will be sure they are reflected in an FAQ we are compiling for the project.
- Have a good meeting!
