MAINTENANCE INFORMATION

Pertaining to All Permitted Facilities/Equipment/Park Buildings:

- All locations are unstaffed facilities. The contract holder is responsible for set-up and clean-up. This must be done during the permitted date and time - no exceptions. Any belongings left at the permitted location outside of the rental period (either before the rental starts or after it concludes) will be discarded.
- You may not enter the building and/or set up prior to your permitted event times or you will be subject to security deposit forfeiture. Renter is responsible for securing/locking all doors and windows before exiting and trash must be taken out of the building and placed in outside trash containers.
- The permittee agrees to leave the facility/equipment clean and orderly and assumes personal liability for the cost of excessive cleanup of the premises; loss, breakage, or removal of Park property; and responsibility for the conduct and good order of the group.
- Decorations may be hung but all decorations must be removed following the event (including any tape or string affixed to the walls or ceiling). Do not use tacks, staples, etc. except on corkboard (if available). It is advised to use painters' tape as it will likely not damage the walls. Pinatas are prohibited. The use of glitter, confetti & like items is not permitted. The rooms are not furnished with any decorations, nor are there any utensils or tablecloths available.
- Permit holder is responsible for visiting the facility prior to making a reservation to ensure acceptable appearance and provision of amenities. Minor variances in appearance from pictures/descriptions online will not be accepted as reason for refund (paint, wall ornaments, dressings, etc). Permit holder agrees to accept the building in current condition of appearance.
- Mops, brooms, trash bags and cleaning supplies are not provided. Hand sanitizer and sanitizing wipes are also not provided.
- All buildings are heated/air conditioned. Building temperatures are maintained remotely to the best possible standard range of 68-75 degrees and cannot be changed during an event. Do not prop open doors/windows in an attempt to control building temperature.
- Maintenance tries to maintain a consistent number of tables and chairs in all buildings (10 -12 tables and 50-75 chairs depending on building capacity) but **that amount is not guaranteed.**
- M-NCPPC does not rent or provide additional tables and chairs.
- All tables and chairs must remain inside the building at all times.
- Outside grounds are available until 7pm or dusk (whichever comes first). Park grounds officially close at 7pm. Reservation includes adjacent picnic tables, grills, and open shelter (where available).
- After use, fires on outside grills (where applicable) must be extinguished. Please remove trash from picnic shelter, picnic grounds and park building. Place trash in proper trash containers.

ACCESS CODE and PERMIT

- Rental buildings are keyless and will be accessed via an access code. Once your reservation has been paid, **your permit and access code information will be provided to you via email the week of your reservation.**

SECURITY DEPOSIT PROCEDURE:

- In addition to your rental fee, a refundable deposit of \$200 is required to be paid at the time of booking. (Covers damages, insufficient clean-up, or rule violations.) **The use of a third (3rd) party for payment or to secure a reservation is not recommended and will be at the risk of the Permit Holder. MNCPPC is not responsible for third (3rd) party involvement and will only correspond directly with the Permit Holder.**
- **Return of Deposit:**
 - If the security deposit is paid by card, we will refund the security deposit to the credit card account which was charged. If the deposit was paid with an expired credit card, the account main contact will receive an M-NCPPC check by mail or a credit on their PARKS DIRECT Account.
 - For security deposits paid by cash, refunds will be issued as a M-NCPPC check.
 - The deposit will be refunded approximately 3-4 weeks following the event if inspection of the facility shows sufficient clean-up and no damage or violations. The credit card account will be credited 3-4 weeks following the event unless a six-month window has passed and the card number is no longer available due to credit card compliance standards (in which case a check will be issued to the main contact). Balances from other PARKS DIRECT transactions must be paid prior to making a reservation or paying the security deposit.
 - M-NCPPC checks are issued to the account main contact and mailed to the address on the permit/account.

CANCELLATION POLICY/INSTRUCTIONS

- **There will be no refund or compensation due to weather conditions, including rain, snow, and extreme heat or cold.** Events also cannot be rescheduled due to forecast of inclement weather which M-NCPPC cannot control. **Refunds will only be issued if MNCPPC closes the permitted facility.**
