## REGISTRATION TIPS

**Registration day can be hectic, with long lines and occasional tech hiccups. To help things go more smoothly, here are a few tips to keep the process stress-free:**

- Consider adding funds to your household account in advance. This allows you to have a smoother check out process when completing transactions.
- Register online at [www.pgparksdirect.com](http://www.pgparksdirect.com)! This allows you to register in the comfort of your home and avoid the long lines.  
**NOTE:** Sometimes you are placed in an online line, however, it moves significantly faster than in-person.
- Make sure you have your **PARKS DIRECT** login information in advance of registration day **(ONLINE REGISTRATION ONLY)**
- Fill out the pre-registration form on page 3 to give to one of our front desk team members. This allows us to ensure that we are accurately registering you for the classes you want and helps speed up the registration process. **(IN-PERSON REGISTRATION ONLY)**
- Review your receipts to ensure you are registered in all of the programs you selected **BEFORE** leaving the front desk. This allows us to address any errors or concerns before moving along to the next patron.
- On registration day there will be a sign in sheet. Please be sure to sign yourself in only and wait in the lobby area for your name to be called. **(IN-PERSON REGISTRATION ONLY)**
- 
- Last but not least, please be patient and courteous to our LBSAC team members. We are all working very hard to get everyone accurately registered but sometimes things do come up that are out of our control. In the event that happens, know that we are doing our best to resolve the issue.
