HONOR. CELEBRATE. REMEMBER.

Create a lasting tribute to a loved one, group, or life milestone through the **M-NCPPC Commemorative Program** in Prince George's County.

By dedicating a bench, tree, or plaque, you help tell the stories that shape our community—while enhancing the beauty and meaning of our parks.

Join us in celebrating life's moments and legacies in a **way that truly lasts.**

COMMEMORATIVE TREES

Existing Tree Dedication

The cost to dedicate an existing tree ranges from \$650 - \$900. This includes the installation of an aluminum or bronze plaque (mounted to a pole) at the base of an existing tree.

New Tree Dedication

The cost to dedicate a new tree ranges from \$1,200 - \$1,500. This includes the installation of an aluminum or bronze plaque (mounted to a pole) at the base of a newly planted tree.

COMMEMORATIVE BENCHES

Various styles of new benches are offered for installation, including traditional wood, metal, or recycled materials. The Department works with park management team members to identify appropriate locations, bench styles, and accessibility compliance. Once a location and bench style have been selected, we work with the Department to install the bench foundations, benches, and plaques.

Prices are estimates and include the cost of the bench, plaque, and bench foundation.

Prices vary based upon the style, materials, and foundation choice.

Commemorative bench:

Through the **Peace Cross Brick Memorials**, the stories of beloved individuals are etched into history, ensuring that their impact and influence will be cherished for eternity, laying a solid foundation for the prosperity of future generations. All bricks are \$500 and inscribed with three lines of text, 18 characters per line including spaces.
