

M-NCPPC Rental Rates for Prince George's Publick Playhouse for the Performing Arts

Please Note: Rates are set by the Maryland-National Capital Park and Planning Commission (M-NCPPC), and we cannot negotiate fees at a facility level. We offer pricing priority to non-profit performing arts groups based in Prince George's and Montgomery Counties. Non-profit groups must provide proof of their IRS non-profit status, mission statement, list of officers, and all rental groups MUST provide a certificate of \$1,000,000 liability insurance 30 days prior to the event, naming the Maryland-National Capital Park and Planning Commission as a certificate holder.

Required Rates / Fee Types	Rate	Notes
