M-NCPPC

100 years

1927 - 2027

A Century of Well-Being

2027 marks a remarkable milestone for The Maryland-National Capital Park and Planning Commission (M-NCPPC) as we celebrate 100 years of service to Montgomery and Prince George's Counties.

For a century, M-NCPPC has been dedicated to the mission of planning communities that will protect and steward the natural, cultural and historic resources while also improving the health and well-being of residents throughout the Prince George's and Montgomery Counties. Though the needs of our community have evolved over time, our commitment has remained the same: to create opportunities for residents to live healthier and more fulfilling lives. Today, that legacy is reflected in the seven dimensions of well-being—cultural, economic, environmental, intellectual, mental, physical, and social—outlined by the National Recreation and Park Association (NRPA)*. These dimensions capture the many ways M-NCPPC has strengthened our communities over the past 100 years and will continue to do so in the future.

Cultural Well-Being

Over the years, M-NCPPC has brought communities together through festivals, heritage celebrations, cultural programs, and public art performances to celebrate the rich traditions and diverse cultures of Montgomery and Prince George's Counties. Programs such as our Black History Program, which preserves, honors, and celebrates Prince George's County's rich African American heritage, along with performances and exhibitions at our cultural arts centers, help foster appreciation, understanding, and a sense of belonging among residents.

Economic Well-Being

M-NCPPC contributes to local economic well-being by creating jobs, attracting visitors, and providing affordable opportunities for residents. Job fairs and seasonal employment opportunities help support financial stability for individuals and families, while affordable camps, classes, and programs ensure residents have access to enriching experiences regardless of income.

Environmental Well-Being

M-NCPPC takes pride in creating healthier environments for current and future generations by protecting parkland, preserving open spaces, planting trees, and promoting sustainable practices. Initiatives such as our tree planting efforts, environmental education programs, and community park cleanups help improve air quality and ensure residents can enjoy healthy natural spaces for years to come.

Intellectual Well-Being

M-NCPPC provides opportunities for people of all ages to discover new interests and develop new skills. For generations, our programs have encouraged curiosity, creativity, and lifelong learning. Through our STEAM programming and out-of-school enrichment programs, for example, participants are introduced to new experiences that inspire learning, skill building, and personal growth.

Mental Well-Being

Access to green spaces, recreational opportunities, and community connections can have a significant impact on mental well-being. Through health and wellness programs, outdoor recreation opportunities, and access to more than 30,000 acres of parkland, M-NCPPC helps residents reduce stress and support their overall mental health.

Physical Well-Being

Perhaps the most visible dimension of well-being, physical health has long been supported through parks and recreation. Through our numerous fitness centers, gyms, sports leagues, aquatics programs, recreational classes, and trails, M-NCPPC provides countless opportunities for residents of all ages and abilities to stay active and healthy.

Social Well-Being

M-NCPPC's parks and facilities serve as community gathering spaces where residents can connect, build relationships, and create lasting memories. From community events and festivals to volunteer opportunities and inclusion, teen, and senior programs, we help foster a sense of belonging, strengthen social connections, and encourage civic engagement throughout our communities.

M-NCPPC 100 years
1927 - 2027
A Century of Well-Being

As M-NCPPC commemorates its 100th anniversary, we celebrate a century devoted to enhancing the quality of life for residents. Through an ever-evolving focus on cultural, economic, environmental, intellectual, mental, physical, and social well-being, the Commission has continually adapted to meet the needs of our diverse communities. Over the last 100 years, our parks, programs, facilities, and services have helped people connect, grow, and thrive. As we look into the future, we remain committed to creating new opportunities that advance well-being, strengthen communities, and enrich the lives of residents for generations to come.

Here's to a century of well-being and to the next 100 years of serving our communities!

How to register for an activity...

Registration for an activity begins:
Wednesday, November 18 for Prince George's County Residents
Wednesday, November 25 for Non-Residents

You must establish a PARKS DIRECT account before registering for any program. For information about obtaining a FREE PARKS DIRECT account, visit pgparksdirect.com and click on New Account in the toolbar.

Validate your address!

Did you know that Prince George's County and Montgomery County residents receive discounts on Parks and Recreation classes, events, and rentals? Before registration, be sure to validate your address to receive the resident discount rate! Due to the volume before registration days, processing verification requests may take up to three (3) business days. (Note: Priority registration is given to Prince George's County residents during program and class enrollment.) **Scan the QR code on the next page.**

Once you're on **pgparksdirect.com**, search for programs in either Activities or Special Events/Performances and enter barcodes.

- Click the plus sign (+) in the first column to add an activity to your shopping cart. A footer appears at the bottom of the screen confirming your selection.
- Click "Add To Cart." (Note: If you haven't logged into your PARKS DIRECT account, you will be prompted to do so upon adding the activity to your cart.)
- Choose the customer from your account who will participate in the activity by checking the box for each family member. You may enroll multiple people for the same activity simultaneously.
- The activity enrollment is added to the shopping cart.
- You may browse other options by clicking "Continue Shopping" or finalize the transaction by clicking "Proceed to Checkout."
- Fill in payment information as necessary.
- Upon successful payment processing, you'll be directed to a page where you can:
  - » Fill out a quick survey about your experience.
  - » View receipt as a PDF.
  - » Email a copy of your receipt to any address.

Questions? Contact the Customer Service Help Desk at **CustomerService@pgparks.com**.

Resident Registration and Fees

M-NCPPC policy prioritizes Prince George's County residents during the 1st week of program registration, and it also increases registration fees by approximately 30 percent for nonresidents or those living outside Prince George's and Montgomery Counties. This procedure ensures that the citizens who fund these programs through their tax dollars have the first option to enroll. After the 1-week priority registration period, registrations are accepted from residents of all jurisdictions. The fee schedule applies to all Commission programs and facilities in Prince George's County, with a few exceptions, such as performance tickets and historic site admission fees.

Fee Structure

Please note that fees are listed in groups, allowing a reduced fee for county residents. A guide to this fee structure is shown below.

- **(R)** Residents of Prince George's and Montgomery Counties
- **(NR)** Non-Residents: residents living anywhere except Prince George's and Montgomery Counties
- **(IA)** Residents living in the impact area of Prince George's Sports & Learning Complex. (IA) This refers to residents living in the Impact Area of Prince George's Sports & Learning Complex/Wayne K. Curry Sports & Learning Center. Impact Area residents only receive a fee reduction for programs at Prince George's Sports & Learning Complex/Wayne K. Curry Sports & Learning Center. For more information, contact **Splex-Distribution@pgparks.com.**

*Note: Full payment is due at registration unless a class or program has a scheduled payment structure (i.e., Kids' Care, Trips & Excursions.)
Need help? Email the Customer Service Help Desk at **CustomerService@pgparks.com**

Refund Policy

The registrant is entitled to a 100% refund or credit to his/her account if M-NCPPC cancels a course. The registrant may withdraw from a course at any time before the course ends and will be entitled to receive a prorated credit based on the number of classes remaining when the withdrawal is requested. All withdrawals performed within 7 days of the course start must be processed by the facility offering the program; withdrawals with additional advanced notice may be processed online or at any other facility. Except within 24 hours of the original registration date, a 20% Withdrawal Fee will be assessed on any funds resulting from the withdrawal. This fee will be waived in the event of cancellation, postponements, or changes made by M-NCPPC or if otherwise stated by the Facility Manager. No requests for refunds will be accepted after a course is completed. No cash refunds will be allowed. Refunds for credit card purchases will be issued as a credit to the credit card account. Check refunds may take 3–4 weeks to process. No refund or credit will be issued for classes missed by the participant. Some activities have different refund/withdrawal policies that supersede this standard policy, as identified in the course description or details.

Non-Sufficient Funds Fee

The non-sufficient funds fee for returned checks is $35.

Fee Assistance

Fee assistance is available only for Prince George's County residents (does not apply to all programs/facilities). Formal proof of need is required. Forms are available at area community centers and can be downloaded from our website. Visit **pgparks.com** and search "Fee Assistance."

Fees Subject to Change

The fees in this program guide are subject to change. For up-to-date information, please contact the facility offering the program.

Stay in Touch!

If you have registered for a class or program within the last 2 years, you will automatically receive the quarterly Your Guide to Parks and Recreation. New to the area, or haven't registered in the past 2 years? Email **public.affairs@pgparks.com**, and we'll send you a copy of the current guide. Disability Services (Therapeutic Recreation and Program Access)

M-NCPPC is dedicated to providing quality parks and recreation programs, facilities, and services that are inclusive and accessible to all patrons. The Department of Parks and Recreation ensures compliance with the Americans with Disabilities Act (ADA) by taking all reasonable steps to remove barriers to participation in programs and services. All disability modification requests should be noted on PARKS DIRECT accounts and/or requested a minimum of two weeks before the program's start date. For disability modifications, contact Program Access Staff at **program.access@pgparks.com** or call 301-249-7200 (voice) or Maryland Relay 7-1-1.

  3. Enviar una copia de su recibo a la dirección de su correo electrónico.

Inscripción y tarifas para residentes

La política de la Comisión de Parques y Planificación de Maryland —Área de la Capital Nacional ("M-NCPPC" por sus siglas en inglés) da prioridad a los residentes del Condado de Prince George's durante la inscripción al programa y a la clase. También aumenta las tarifas de inscripción en aproximadamente un 30 por ciento para los no residentes o aquellos que viven fuera de los condados de Prince George's y Montgomery. Este procedimiento asegura que los ciudadanos que financian estos programas a través de sus impuestos tengan la primera opción para inscribirse. Después del período de inscripción de prioridad, se aceptan inscripciones de residentes de todas las jurisdicciones. El programa de tarifas se aplica a todos los programas e instalaciones de M-NCPPC en el Condado de Prince George's, con algunas excepciones, como boletos para actualizaciones y espectáculos, y tarifas de admisión a sitios históricos.
*__Nota__: *Se debe pagar el pago total en el momento de la inscripción, a menos que una clase o programa tenga una estructura de pago programada, es decir, el programa de cuidado de niños llamado "Kids' Care" o nuestros viajes y excursiones.*
¿Necesita ayuda? *Envíe un correo electrónico a la Oficina de Servicio al Cliente a* **CustomerService@pgparks.com.**

Estructura de tarifas

Tenga en cuenta que las tarifas se enumeran en grupos, lo que permite una tarifa reducida para los residentes del condado. A continuación, se muestra una guía de esta estructura de tarifas.

- **(R)** se refiere a personas que residen en los condados de Prince George's y Montgomery
- **(NR)** se refiere a personas que NO residen en los condados de Prince George's y Montgomery
- **(IA)** se refiere a personas que viven en el Área de Impacto del Sports & Learning Complex en el Condado de Prince George's. Los residentes del Área de Impacto pueden inscribirse con prioridad durante una semana y recibir una reducción de la tarifa para los programas en el Prince George's Sports & Learning Complex. Para obtener más información, mande un correo electrónico a **Splex-Distribution@pgparks.com.**

Política de Reembolso

En caso de que M-NCPPC cancele un curso, el inscrito recibirá un reembolso completo, es decir de 100% o un crédito en su cuenta de PARKS DIRECT. El inscrito puede retirarse de un curso en cualquier momento antes de que finalice el curso y tendrá derecho a recibir un crédito prorrateado en su cuenta, basado del número de clases restantes en el momento en que se solicite el retiro. Todos los retiros dentro de los 7 días de la fecha de inicio del curso deben ser realizados por la instalación que ofrece el programa. Los retiros con aviso adicional por adelantado se pueden procesar en línea o en cualquier otra instalación. Se aplicará una tarifa de retiro del 20% sobre los fondos que resulten del retiro, excepto dentro de las 24 horas posteriores a la fecha de inscripción original. Esta tarifa no se aplicará en caso de cancelación del curso, aplazamientos, cambios realizados por M-NCPPC o si el Gerente de la instalación establece lo contrario. No se aceptarán solicitudes de reembolso después de que se complete un curso. No se permitirán reembolsos en efectivo. Los reembolsos por compras con tarjeta de crédito se emitirán como crédito a la cuenta de la tarjeta de crédito. Los reembolsos de cheques pueden tardar de 3 a 4 semanas en procesarse. No se emitirá ningún reembolso o crédito por las clases perdidas por el participante. Algunas actividades tienen diferentes políticas de reembolso/retiro que reemplazan esta política estándar, como se identifica en la descripción o los detalles del curso.

Política de cheques sin fondos

M-NCPPC cobrará una cuota administrativa de $35 por cheques que reboten por falta de fondos.

Ayuda financiera

Ayuda financiera está disponible solamente para los residentes del Condado de Prince George's (no se aplica a todos los programas /instalaciones). Se requiere prueba formal de necesidad. Para obtener los formularios en inglés o español, pase por cualquier centro comunitario o visite ***pgparks.com***, haga clic en la pestaña "Actividades y Eventos" en la parte superior de la página y después haga clic en "Asistencia con las tasas y becas."

Las tarifas están sujetas a cambios

Las tarifas de esta guía de las clases están sujetas a cambios. Comuníquese con la instalación que ofrece el programa para obtener información actualizada.

live more, play more

pgparks.com

The Maryland-National Capital Park and Planning Commission (M-NCPPC), Department of Parks and Recreation, Prince George's County, reserves the right to take photographs and video footage of participants in our programs, special events, and individuals enjoying our parks and properties. This media is utilized in promotional materials to highlight our community's activities, events, and facilities.

It is vital to us that our marketing represents the true spirit of Prince George's County.

Through our commitment to showcasing the real faces of our community members, we celebrate authenticity. This dedication allows us to uplift local voices, share our collective stories, and highlight the genuine energy that makes our community, parks and programs thrive.

Our story is your story to celebrate together.

MESSAGE Session VIII

Message is no longer just a concert series - now entering its third season, it has evolved into a thoughtfully curated experience where intention and artistry lead the way. Each show is carefully selected, raising the bar for quality while remaining a sanctuary for local artists to share voices and stories with purpose. Here, music moves beyond entertainment and becomes personal, intimate, and deeply human. The artists who take the stage are not chasing recognition; they are building connection, offering soulful ballads, introspective rap, and honest expression rooted in authenticity. Every Message event is designed with care and discernment, ensuring no two shows are ever the same - each one delivering a distinct atmosphere, elevated excellence, and a story meant to be felt as much as it is heard.

MESSAGE Session IX

Message is no longer just a concert series - now entering its third season, it has evolved into a thoughtfully curated experience where intention and artistry lead the way. Each show is carefully selected, raising the bar for quality while remaining a sanctuary for local artists to share voices and stories with purpose. Here, music moves beyond entertainment and becomes personal, intimate, and deeply human. The artists who take the stage are not chasing recognition; they are building connection, offering soulful ballads, introspective rap, and honest expression rooted in authenticity. Every Message event is designed with care and discernment, ensuring no two shows are ever the same - each one delivering a distinct atmosphere, elevated excellence, and a story meant to be felt as much as it is heard.

BAROCOCO with Happenstance Theater

Hailed by the New York Times as "...outrageous feats of physical comedy", BAROCOCO is a collaborative decided ensemble work in which Happenstance Theater portrays oblivious entitlement on the brink of extinction. This timely reflection on history is a physical comedy dive into the late Baroque and flaunts 18th century finery, wigs, panniers, gestural styling, elaborate ornamentation and the excesses of Rococo. The characters navigate dangerous curves of manners and the Age of Enlightenment from the exquisite to the revolting. Happenstance has great fun puncturing one percent pomposity and presents the poignant possibility of change. Note: All ticket sales are final. No refunds or exhanges.

AQUATICS

PRE-SCHOOLERS

Swim Lessons: Pre-Schoolers, Bobbers

Build your child's water confidence, alleviate their feelings of fear, and help them learn healthy, fitness habits in this introductory swimming course. This level familiarizes children to the aquatic environment and helps them acquire basic aquatic skills such as water entry and exit; breath control and submerging; floating/gliding on the front and back; and treading in chest-deep water. Arm and leg actions are also introduced at this level. Participants begin to develop positive attitudes and safe practices around water. Note: Due to the number of skills taught in this course, participants may need to repeat this level.

Swim Lessons: Pre-Schoolers, Bubblers I

Build a healthy relationship with the water, your child, and other families in this protected culture of learners! This level familiarizes parents and children with the water and teaches swimming readiness skills such as becoming comfortable in water, support techniques, and beginning breath control. This level also provides safety information for parents and teaches techniques parents can use to orient their children to the water. A caregiver (at least 16 years of age) responsible for the learner, in appropriate swimming attire, must be in the water to assist and support for the entire lesson. Note: Due to the number of skills taught in this course, participants may need to repeat this level.

Swim Lessons: Pre Schoolers, Bubblers II

Increase aquatic skill development, self-confidence, and make fitness fun with your family! This level builds on skills learned in Bubblers I. Parents and young children will continue to work on basic skills including water adjustment, support techniques, and breath control. Skills such as floating and kicking on front and back are explored. A caregiver (at least 16 years of age) responsible for the learner, in appropriate swimming attire, must be in the water to assist and support for the entire lesson. Note: Due to the number of skills taught in this course, participants may need to repeat this level or until they are old enough for Bobbers.

Swim Lessons: Pre-Schoolers, Floaters

Move to the next stage of fun swimming fitness as you get active moving around the pool and under water. You will strengthen your swim abilities and self-confidence! This level builds on basic swimming skills learned in the Bobbers Series including breath control and submerging; swimming using combined arm and leg actions on the front and back; and treading in shoulder-deep water. Note: Due to the number of skills taught in this course, participants may need to repeat this level.

Swim Lessons: Pre Schoolers, Strokers I

Soar through the water with greater swim abilities, independence, and self-confidence! This level builds on the skills learned in the Bobbers and Floaters levels, with a greater emphasis on swimming on the front and back without assistance and for longer distances. Treading in shoulder-deep water for longer periods of time will also be explored. Water safety concepts are reinforced in this level. Note: Due to the number of skills taught in this course, participants may need to repeat this level.

Swim Lessons: Pre-Schoolers, Strokers II

Take the plunge and get empowered to be a better swimmer with the self-confidence of a champion! This level focuses on stroke development including front crawl and elementary backstroke. Participants will be introduced to the scissors and dolphin kicks and will build on the fundamentals of treading water. Diving skills may also be introduced. Participants who successfully complete this level and who meet the appropriate age requirement may register for Youth 4. Note: This course may be repeated until the child is old enough for Youth Level 4.

CHILDREN

Swim Lessons: Children , Youth, Level 1 Introduction to Water Skills

Ready to get your feet wet and make a big, fun splash? Gain a life-long love of swimming and feel self-confident in the pool or at the beach with these first steps toward becoming a swimmer! This level will help orient participants to the aquatic environment and help them gain basic aquatic skills such as water entry and exit; breath control and submerging; floating and gliding on the front and back; and treading in chest-deep water. Arm and leg actions are also introduced at this level. Participants begin to develop positive attitudes and safe practices around water. Note: Due to the number of skills taught in this course, participants may need to repeat this level.

Swim Lessons: Children, Youth, Level 2 Fundamental Aquatic Skills

Come on in, the water's fine! Join us as we proceed to the next level of swimming fun and fitness! We will build on the fundamental aquatic skills learned in Level 1-- breath control, submerging, floating and gliding on front and back, swimming using combined arm and leg actions on front and back, and treading in shoulder-deep water. Note: Due to the number of skills taught in this course, participants may need to repeat this level.

Swim Lessons: Children, Youth, Level 3 Stroke Development

Celebrate your achievements by graduating to swim stroke readiness! Have a good time getting more exercise while gaining self-confidence in the water. This level focuses on stroke development, including front crawl and elementary backstroke. Participants will be introduced to the breaststroke, scissors and dolphin kicks, build on the fundamentals of treading water in deep water and to help participants achieve basic water competency in a pool environment. Diving skills may also be introduced in this level. Prerequisite: Successful completion of Level 2. Note: Due to the number of skills taught in this course, participants may need to repeat this level.

Swim Lessons: Adult, Beginner

Swimming is a skill for life to keep you safe, increase self-confidence and maintain a healthy existence. This level will help orient participants to the aquatic environment and help them gain basic aquatic skills such as water entry and exit, breath control and submerging, floating and gliding on the front and back, and treading in chest-deep water. Arm and leg actions are also introduced at this level. Participants begin to develop positive attitudes and safe practices around water. Note: Due to the number of skills taught in this course, participants may need to repeat this level.

Lifeguard Pre-Test: Mixed Ages

Want to show you have the skills to be a top-notch lifeguard? This pre-test is necessary for the Lifeguard Training course activities 10645 and 10616 (both pre-test and course must be taken at the same facility). Must be at least 15 years old. Participants must demonstrate the following: 1. Swim 300 yards continuously, demonstrating breath control and rhythmic breathing. 2. Tread water for 2 minutes using only the legs (hand placed across chest under armpits). 3. Must complete a timed event within 1 minute 40 seconds. Starting in the water, swim 20 yards then surface dive, feet-first or head-first, to a depth of 7 to 10 feet to retrieve a 10-pound object and then swim 20 yards on back, with both hands holding the object, and finally exit the water without using a ladder or steps. Want to get some practice before taking this pre-test? Register for Lifeguard Prep Swim Lessons activity 10602 to help you prepare for a Lifeguard Pre-Test.

Unsung Heroes Who Shaped America

Celebrate America's 250th birthday! Some of the people who have made this country so awesome sometimes go unnoticed. To celebrate them and the incredible ways they have made this country better, each installment of this series pairs a storybook about overlooked American trailblazers with a fun craft activity. Though staffed by the Surratt House Museum, this program is hosted at the Surratts-Clinton Branch of the Prince George's County Memorial Library System.

ASL Conversational Fluency & Real-World Communication

Moving beyond vocabulary memorization, this class focuses on developing fluency, confidence, and practical communication in everyday situations. Engage in immersive, voice-off learning while practicing situational signing in real-life contexts such as work environments, school settings, and social interactions. Emphasis will be placed on sentence structure, classifiers, facial expressions, and Deaf cultural norms to ensure effective and respectful communication. Through guided practice, role-playing, and interactive activities, you will strengthen your ability to understand and respond naturally in ASL. This course also introduces elements of a "Conversational ASL Lab," allowing you to apply what you learn in dynamic, real-world scenarios.

SENIORS

Tai Chi: Seniors

Increase your inner peace! Non-competitive, self-paced, and relaxing, Tai Chi is an ancient art of exercise for balance, stretching, muscle tone, and flexibility. In this mind-body practice, as described by Harvard Health, we gain focus, move gently, usually in a small circular fashion, while breathing deeply. Tai Chi is adaptable to those with joint, muscle, and back problems.

MIXED AGES

Fitness Kung Fu

Many Americans associate "Kung Fu" or "Gung Fu" with a form of Chinese martial arts. The literal Chinese translation is 'acquired skill'. It can also mean work performed, special skills, strength, ability, or time spent. This course will focus on exercise using the movements found in southern Chinese Kung Fu forms. It requires natural movements, concentration and self-discipline. The only contact sparring will be choreographed two-man forms or 'Empty Hands'.

Futsal: Pre-School

Futsal (also known as futsal or footsal) is a variant of soccer played on a hard court, smaller than a soccer field, and mainly indoors. Futsal is played between two teams of five players each, one of whom is the goalkeeper. Unlimited substitutions are permitted. Unlike some other forms of indoor soccer, the game is played on a hard court surface delimited by lines; walls or boards are not used. Futsal is also played with a smaller, harder, low-bounce ball. The surface, ball, and rules together favor ball control and passing in small spaces. The emphasis is on improvisation, creativity and technique.

Ice Skating: Teddy Bear

Your ice prince or princess doesn't have to be 'Frozen' to master the ice! Join this exciting class where your little one will be empowered with self-confidence to reign in the rink. Instructors will work with both parent and child to help them develop skills including crawling, standing, walking, jumping, hopping, turning, and gliding on ice. Parents are encouraged to wear tennis shoes for walking on carpet alongside their child who wears skates on the ice.

Pee Wee Basketball League

Introduce your little one to the game of basketball and to the exciting world of team sports! With skills and drills especially designed for pre-schoolers, our Pee Wee Basketball League is an excellent way to building self-esteem, balance, coordination, and teaching discipline. Players will be introduced to the basic basketball fundamentals, game rules, offensive/defensive skills, strategy, and good sportsmanship. Because our program relies on volunteers, we encourage parent participation. We need Head Coaches, Assistant Coaches, and Team Managers. Interested in volunteering? Please let us know during the registration process! Contact our support team at countywidesports@pgparks.com.

Soccer Skills: Pre-Schoolers

Do you know the SCORE? Here is how the numbers stack up. 1 class to learn soccer skills (kicking, passing, dribbling, and identifying parts of the field) + 1 GOAL to experience the benefits of soccer (balance, coordination, self-confidence, concentration) = 2 much fun! Team up with us in this introductory class and have your little one score a few goals of their own.

Ceramics: Raku, Adults Beginner

Raku is ancient form of Japanese pottery that uses low firing temperatures and the removal of the pieces from the kiln while still glowing hot. Because this process creates a unique surface finish, often with crackled textures, Raku techniques have been adopted and modified by potters around the world. Through class demonstrations, participants will be taught an introductory understanding of raku pottery, firing procedures, kiln types, raku clay and glazes.
